Mr Joe Valentine
Athletic Director
Ft. Dix N.J.

Dear Mr Valentine:

I am writing to remind you of our engagement to play a ballgame at Ft. Dix, Thursday May 24th, 6 P.M.

I am also enclosing a line up of the team. The Red Cross is going to bring us, and if there is room we will bring the entire team. In addition to the team Mr McNamee will probably be along. We leave Newark at 3PM and should arrive about 4 or 4.30. Please arrange for the entrance of the team.

Sorry but I am unable to say who the starting pitcher will be, but I am sure the team will do their best. I hope the weather will clear up. It has really been a wet spring.

If things are nice we will very possibly be able to return again this year. I do hope everyone enjoys the game.

Very Truly Yours
